NOTES:

- It shall be unlawful for any person to excavate in or to construct, install, or maintain any improvement, structure, or encroachment in, on, over, or under any City property, tidelands, street or easement without first obtaining from the Director of Public Works a permit therefor, or to maintain the same without such permit or in violation of the terms or conditions thereof. ('63 Code, § 7-1.02)

- Do not attach Encroachment Permit Fee to Application. The Encroachment Permit Fee is due when the Encroachment Permit is submitted, and the Permit must be signed in our office. The Permit is not valid, and work cannot begin until the applicant and/or contractor sign the Permit.

- Prior to issuance of an Encroachment Permit, each person performing construction shall furnish to the City of Arcata Engineering Department, Certificate(s) of Insurance and Endorsement(s) as described in the "Insurance Requirements for Contractors" handout, or such other insurance requirements as prescribed by the Department.

- A separate Encroachment Permit shall be issued for each additional person/contractor performing construction.

Prior to performing work for the City of Arcata, or receiving an encroachment permit to perform work in the City right-of-way, the Contractor and/or Homeowner, including any and all subcontractors working for the Contractor/ Homeowner, shall furnish the following documents to the Public Works Department for approval. Coverage shall be effective throughout the term of the permit:

<u>HOMEOWNERS:</u>

1. **A copy of the Homeowners Insurance Policy declarations page, showing coverage is currently in effect, and will remain in effect throughout the project period.**
2. **An additional insured endorsement which includes the following language, *"The City of Arcata, including its officers, officials, employees, and volunteers, are insureds."***

<u>NOTE:</u> If the agent/broker is unable to name the City as additional insured, the agent/broker must provide a memo or letter to the Public Works Department so indicating.

<u>CONTRACTORS</u>:

Certificates of insurance and endorsements with original, authorized signatures, showing that he/they has/have the following minimum insurance coverage(s):

1. **<u>General Liability</u>**: $2,000,000 per occurrence, with $2,000,000 per aggregate for bodily injury, personal injury, and property damage, including completed operations forms.
2. **<u>Automobile Liability</u>**: $2,000,000 Combined Single Limit per accident for bodily injury and property damage.
3. **<u>Workers' Compensation</u>**: **Workers' Compensation Insurance as required by the State of California and Employer's Liability Insurance of $2,000,000 per accident for bodily injury or disease.**

All insurance carriers shall be rated A:VII or better and certificates <u>MUST</u> be accompanied by the following endorsements:

A. <u>LIABILITY INSURANCE ENDORSEMENT</u> containing the following specific components:

1. The insurance policy number.

2. A statement that includes the following language:
"The City of Arcata, including its officers, officials, employees, and volunteers, are insureds"

3. **A statement that includes the following language:**

"The insurance shall be primary as respects the insured shown in the schedule above, or if excess, shall stand in an unbroken chain of coverage excess of the Named Insured's scheduled underlying primary coverage. In either event, any other insurance maintained by the Insured scheduled above shall be in excess of this insurance and shall not be called upon to contribute with it."

4. **A statement that includes the following language**:

"The insurance afforded by this policy shall not be canceled except after thirty days prior written notice by certified mail return receipt requested has been given to the City."

NOTE: Insurance form CG 20 12 07 98 (or some form specific to a particular insurance company that has similar wording) is for the General Liability additional insured Endorsement.

NOTE: The City will accept strike out of the words "endeavor to" and everything after "…certificate holder named to the left," on the Certificate of Insurance in lieu of cancellation language on an endorsement.

Subcontractors performing work within the City Right-of-Way shall either be included upon the Contractor's policies as insureds, or shall furnish separate certificates and endorsements. All coverages for subcontractors shall be subject to all of the insurance requirements stated previously herein for the Contractor, and shall be effective throughout the term of the permit.
