Service Charges:

Water or Water/Sewer …….....….....$36.00
Sewer only account…….....$10.00
Reconnection charges.....;.....….$36.00

Security Deposit: Deposits are required on all Water and/or Sewer accounts. Deposits for meters 1" and smaller are held for one year or are applied to the closing bill if service is less than a year. Deposits for meters of 1 ½ " or greater will be held until service is disconnected. The deposit for meter 1 ½" and larger will earn simple interest of 4% per year after the first year, payable upon disconnection.

Returned Check Fee: Checks returned by the payer's bank (for insufficient funds, closed accounts, stop payments, etc.) must be redeemed in cash, money order, or cashier's check for the full amount of the check, plus a $25.00 service fee.

Monthly Billing: Utility accounts are billed 30 days after the end of service period and are due upon presentation. The bill becomes delinquent 30 days after the billing date and will be assessed a 10% penalty on any past due balance.

- If payment is not received within 15 days after the due date a final notice will be mailed indicating a shutoff date for non payment.
- If payment is not received within 30 days after the due date **service will be disconnected.**
- If service is disconnected, reconnection will only be made after all past due charges, current charges, and a reconnection fee of $25.00 are paid. Service will then be restored within 24 hours from the time payment is received (excluding weekends and holidays).

Payments: Utility payments may be mailed to: City Hall, 736 F St. Arcata, CA 95521-6284. Payments are accepted at the Cashier's Window in City Hall, Monday - Friday, 9am to 5pm, except Holidays. Visa or MasterCard payments are accepted by call 707-822-5951 during business hours. Payment drop boxes are located in front of City Hall next to the mail box and in the parking lot at the end of the center parking row nearest the Library.

Leak Adjustments: Customers may request an adjustment for excessive water/sewer charges due to a water leak **once** during a 12-month period. Any adjustment will be made only after repairs have been made and verified by a city water technician. Adjustments will be based on average annual water consumption. Only month may be adjusted during any 12-month period.

Closing an Account: Please call the Finance Department at **822-5951 to DISCONTINUE SERVICE.**
Have the following information ready:

1. Customer name and account numbers
2. Date service is to be discontinued.
3. Forwarding address and phone number for final bill or deposit refund.

It is the account holder's responsibility to notify the City when you wish service to be discontinued. If you fail to discontinue service you will be responsible for charges after you move out! Requests to discontinue service retroactively will not be honored!

All customers receive a 10% sewer consumption allowance for irrigation. Residential customer's summer sewer bills, July – October, are calculated based on their winter consumption, January – April.

Sewer Repair Fee: In October 1996 the City Council approved a bond to pay for capital improvements in wastewater collections system. This bond is being repaid by the collection of a "Sewer Repair Fee" collected monthly on each sewer connection billed by the City. The initial payment was $1 per month starting in February 1997. The fee increased by $1 each year until the fee reached $5 per month in February 2001. The fee will continue at $5 per month for 20 years until the bond is paid.

Tampering Fee: A tampering fee of $209 shall be charged for the unauthorized operation of any of City owned curb cocks, main cocks, gates on valves; or any interference with meters, their connections, or other parts of the City's water system

Call out fee: A service charge of $201.00 will be charged for turn-on, reconnection, or other service calls related to water accounts performed outside of the City's usual business hours (evenings, weekends and holidays).

Backflow Prevention Devices: Residents with backflow prevention devices are charged $5.15 per month for backflow device rental and annual inspection.

Jacoby Creek Assessment District: Residents who live in the Jacoby Creek Water District are assessed $6.50 per month on their City of Arcata Water Bills. This money is used by the Jacoby Creek Water District to pay a bond debt for construction of the water lines and water tank that services the district. The bond is scheduled to be paid off in 2033. The address for the Jacoby Creek Water District is PO Box 122, Bayside CA 95524-0122.

Utility tax: All utility services within the city limit are taxed at a rate of 3%. For the purposes of City billed utilities, this applies to water and sewer charges.
