

2019 Community Volunteer Work Day Schedule

The City of Arcata invites the community and community groups to assist with stewardship of Arcata's natural resources and join the Environmental Services Department at its Saturday volunteer work days! Though some work days highlight specific partner groups, all volunteer work days are open to anyone (all ages) interested in participating.

- Saturday workdays run from 9 a.m. – 1 p.m., with lunch provided.
- Workday dates and locations are subject to change – contact Darius Damonte at: (707) 825-2105 or ddamonte@cityofarcata.org for information on meeting locations.
- Prior to work, there will be a safety talk and tool-use instruction and volunteers must sign a liability release.
- Volunteers should wear work clothes (long sleeves and pants recommend) and sturdy, closed-toed shoes.
