Some trash is hazardous. It can pollute water, air and soil. Hazardous waste is anything toxic, corrosive, reactive or ignitable.

Labels read:

Poison!
Danger!
Warning!
Caution!

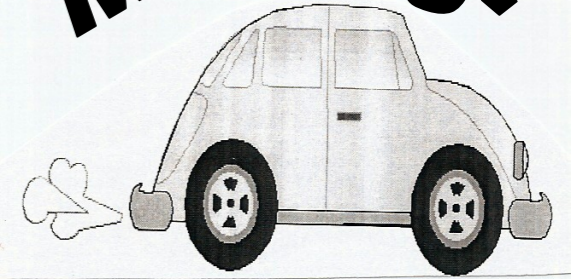

These items include:

- Household Cleaners
- Fluorescent Light Bulbs
- Paint (all kinds) & Solvents
- Non-empty Aerosol Cans
- Nail Polish & Remover
- Pesticides
- Automotive Fluids
- Batteries

and must go to the household hazardous waste facility!

E Waste (electronics), universal waste & automotive fluids contain hazardous materials. When you RECYCLE batteries, motor oil, paint, electronics and antifreeze, you save resources, and land-fill space.
