## Preferential Parking Request Petition Form

To request the establishment of a Preferential Parking Zone, signatures must be obtained to fulfill the following requirements:

1. At least two-thirds (67%) of the proposed zone's residential dwellings must be represented;
2. Only **one valid signature** per Household;
3. The proposed preferential parking area shall contain at least one side of a city block between two intersections and be adjacent to residential uses; and
4. All petitioners shall **reside** within the proposed Preferential Parking Area.

The petition shall identify a designated Neighborhood Representative to work with the Police Department on the petition process.
