

**NOTICE OF CONSTRUCTION ACTIVITY  
WITHIN THE PUBLIC RIGHT-OF-WAY  
BEGINNING ON March 1st.**

Lightwave Construction is working in portions of Arcata to construct new conduit and fiber infrastructure for Vero Networks. This system will enable broadband connectivity to high-bandwidth customers in the Arcata/Eureka area such as large enterprise, education, government & carrier/last mile providers.

This notice is being delivered to you because work is planned in your neighborhood. The method of construction will be directional bore, in the street and sidewalk, and also placing new underground utility vaults in the street and sidewalk area. There may be some damage or disturbance to surrounding areas such as landscape, in park strip, or at back of sidewalk. Restoration of the sidewalk, landscaping and other improvements will be to original or better condition after work is completed.

As A state-recognized public utility Vero Networks, will be performing work in the City right-of-way under a permit issued by the City of Arcata. The City has imposed certain requirements to lessen the impact of this work in your neighborhood. A synopsis of these requirements is listed below.

1. Work will be done only within the permitted working hours and will continuously maintain traffic controls in order to minimize public inconvenience.
2. The street will have traffic controls during the day while the work is being performed to ensure the public safety. The street is required to be cleaned and open for the safe use of the public after each working day. Access to driveways will be maintained. Some equipment may be parked on the street but only during the permitted hours of work. The contractor has no authority to trespass on your property.
3. Temporary no parking posting may be required and will be minimized however we will need to tow vehicles in violation of posted dates and times.
4. Signs will be kept posted in the area listing the name and telephone number of the Contractor to call in case of questions that you may have about the work.
