

Jeffrey Scott Sterling

Age 38

Truss Designer

I've been a proud resident of Arcata since 2015, when I moved here to attend classes at Cal Poly Humboldt (then HSU). Since 2016, I have served as the Commander of our local American Legion Post 274, and during that time, I've dedicated my time building relationships between the Veterans and the community members, in ways that have helped me to understand the strengths and the needs of a wide variety of groups who live, work, and enjoy their lives in Arcata.

My time in the Marine Corps taught me that leadership happens through service, and that serving well means understanding those we serve. I've applied that lesson in my time in Arcata, reaching out through my own work as a Truss designer, and through The Arcata Veterans Hall efforts in K12 programs, service learning and internship programs with Cal Poly, community events, and projects in support of our local Veterans. The isolation of COVID has been hard on all of us, and I'm eager to participate in our shared projects of community reinvigoration. The strength of Arcata is in its support of every one of its widely diverse community members. Vote Sterling.
