

July 24<sup>th</sup>, 2013

**TO:** Randal J. Mendosa, City Manager

**FROM:** R. Charles (Doby) Class, Public Works Director

RCC 7/19/13

**DATE:** July 19, 2013

**SUBJECT:** Award of Construction Contract for the *2013 Hilfiker Water Main Replacement*

**RECOMMENDATION:** It is recommended that the Council:

1. Find Hooven and Company to be the low bidder for the *Hilfiker Watermain Replacement 2013* project, and
2. Award a construction contract for the *Hilfiker Watermain Replacement 2013* to Hooven and Company in the Amount of \$127,545.50, and
3. Authorize the Public Works Director to increase the Contract amount by up by \$70,000.00 (for a total of \$197,545.50) to allow extra work and address any unforeseen contingencies.

**INTRODUCTION:** The City of Arcata Public Works Department recently prepared Plans and Specifications for *Hilfiker Watermain Replacement 2013*. This project will include watermain replacement on Hilfiker Drive where there have been four significant failures over the last two years due to poor pipe conditions (brittle and saturated).

**DISCUSSION:** The Plans and Specifications were finished in June 2013 and the project was advertised immediately. Sealed bids were received until 11:00 a.m. on July 19th, 2013. There was a previous project to replace watermains on 16<sup>th</sup>, 17<sup>th</sup> and I and J Streets which had been scheduled to be constructed in FY 12/13 that was re-prioritized. It will be part of a future watermain CIP project. The Hilfiker project had been scheduled for the FY 13/14 budget but due to the urgent nature of the work it was removed from FY 13/14 budget and advanced to use the existing funds in the FY 12/13 budget.

Seven sealed bids were received, as follows:

1. Mercer- Fraser	\$205,750.00
2. Hooven and Company	\$127,545.50
3. SJL Construction	\$128,300.00
4. RAO Construction	\$163,900.00
5. Wahlund Construction	\$199,000.00
6. White Hawk Construction	\$135,525.00
7. Iron Mountain Construction	\$158,770.00

Attached is the itemized bid tabulation sheet (Attachment 1).

It is presently recommended that Council award a construction contract to Hooven and Company in the amount of \$127,545.50. It is further recommended that Council authorize the Public Works Director to increase the contract amount by up to \$70,000.00 to allow extra work and address any unforeseen change orders, for a total contract amount not to exceed \$197,545.50.

**BUDGET/FISCAL IMPACT:** This project was budgeted using FY 12/13 funds in the amount of \$156,500 and we are requesting the City Council authorize the dedication of unspent funds (\$41,045.50) from the 12/13 FY account used to pay for raw water purchases from Humboldt Bay Municipal Water District :

<b>Account Name</b>	<b>Account Number</b>	<b>Amount</b>
Underground Capital-Improvements	661-50 63-57600	\$156,500.00
Purchase of Water	661-50 64-54000	\$41,045.50
