AGENDA TITLE: Find V&C Construction to be the low bidder for the 2014 Sewer Manhole and Mainline Repair Project; Award a Construction Contract for the same project in the amount of $143,000.00; Authorize the Public Works Director to increase the Contract amount by up to $14,300.00 (for a total of $157,300.00) for contingencies; Authorize the Interim City Manager to execute all applicable documents.

RECOMMENDATION: It is recommended that the Council:
1. Find V&C Construction to be the low bidder for the 2014 Sewer Manhole and Mainline Repair project.
2. Award a construction contract for the 2014 Sewer Manhole and Mainline Repair to V&C Construction in the Amount of $143,000.00.
3. Authorize the Public Works Director to increase the Contract amount by up to $14,300.00 (for a total of $157,300.00) to allow extra work and address any unforeseen contingencies.
4. Authorize the Interim City Manager to execute all applicable documents.

INTRODUCTION: The Plans and Specifications for the 2014 Sewer Manhole and Mainline Repair Project were finished in June 2014 and bidding occurred in July 2014; however the bids came in too high so the project was rebid with the reduced scope in July 2014. This is a project to rehabilitate several manholes (12) and make spot repairs citywide.

DISCUSSION: The bids were opened at 2:30 p.m. on Friday, August 15th, 2014. Three sealed bids were received, as follows:
1. RAO Construction $155,200.00
2. Hooven and Company $188,700.00
3. V & C Construction $143,000.00.

BUDGET/FISCAL IMPACT: This project was budgeted using FY 14/15 funds in the amount of $125,000.00 from the Capital Outlay-Underground Utilities Account, number 662-50-65-57500.
