Occupation: Teacher/School Administrator

I have had the privilege to serve on the City Council for 4 years and want to continue making a positive impact in our community. I am a high school history teacher and school administrator who was born and raised in Arcata and I take my commitment to public service seriously. During my tenure on Council I have served as Mayor as well as chair of the Redwood Coast Energy Authority board and Co-Chair of the Equity Arcata board. I am an active councilmember with strong working relationships with city staff and community partners and I am engaged in regional work for Humboldt County. Through numerous meetings and study sessions I have proven my ability as Mayor to facilitate discussion in a meaningful and productive way. I strongly support policies to generate housing and protect tenants in Arcata. I am also an advocate for active transportation, helping adopt the City's complete streets policy and enhance the City's bike lanes and trail network. Arcata needs to focus on creating sustainable housing and transportation options that keep the climate in mind while supporting local businesses and creating opportunities for economic development. Your vote will keep me working for the next generation of Arcata, learn more at [sarah4arcatacity.com](http://sarah4arcatacity.com).
