

BUILDING ACTIVITY DESCRIPTION**(Engineering)****DESCRIPTION:**

The Building Division is responsible for all building activities, public and private, in the City of Arcata. All building construction is administered in accordance with the California Building, Residential, Green Building Standards, Plumbing, & Mechanical Codes, and the California Electrical Code. The division also enforces the City Municipal Code and regulations made by the State of California and Federal government pertaining to all building construction. These regulations include, but are not limited to, the California Title 24's handicapped accessibility, and energy, standards. Activities include receiving building permit applications, plan review, permit issuance, inspections and issuance of Certificates of Occupancy. The division investigates potential code and zoning violations and pursues enforcement when necessary.

PROGRAM CHANGES:

The proposed 2018/19 Fiscal Year budget includes the increase of one full-time building inspector / plan check position. This position is expected to support the steady building permit demand due to increased constructions throughout the City.

ACCOMPLISHMENTS:

1. Reviewed and issued over 447 Building Permits as of May 3, 2018.
2. Creation of a simplified Building Permit application fee structure through Resolution 167-49.
3. Updated Building Code standards to reflect new 2017-18 requirements.

DEPARTMENTAL GOALS:

1. Enhance revenue recovery.
2. Increase customer service through the implementation of permit tracking software.
3. Completely implement the CCAP permitting process and database.
4. Implement new Building Permit and code enforcement program with a citywide approach
- 5 Continue to make progress towards a unified public service Counter in City Hall.
