Hi Ericka,

Thank you very much for your response. We will ensure the standard inadvertent discovery language is included for this project.

Best,
Willa

Hello Willa,

Thank you for sending this invitation to consult on the Isaacson affordable housing project. After reviewing the documents provided, in particular the report prepared in 2004 by Roscoe and Heald and the 2005 boring logs from SHN, Bear River declined the invitation to engage in consultation pursuant Section 106 on this project. Though the project does not appear likely to encounter cultural resources, please do include the standard inadvertent discovery language as a precaution.

Good Morning

Willa I have seen Bear River and Blue Lake THPO's response to this project and I am in concurrence with the both of them. At this time the Wiyot Tribe decline the invitation to consult. We as well recommend inadvertent discovery protocol be in place.
